

Your results will be available sooner

My Health Record changes from 1 July 2026

From 1 July, most pathology results will appear in your My Health Record soon after results release.

Important:

- Test completion times vary. Some are same-day while others may take weeks.
- Biopsy and genetic test results have a legislated five-day delay. Please consult your doctor for details.
- Your doctor will review your results and discuss them with you.
- PathWest cannot provide advice or help with interpreting your results.

You are in control of your My Health Record. You can:

- Opt-out of My Health Record entirely;
- Restrict access to specific results; or
- Remove documents from your record.
